

Hello Dancers and Parents,

It is with such sadness that I must announce that the libraries, rest homes, and Covey Center have canceled our performances. I am sure you are aware of the Governor's recommendations and all the precautions being put in place.

Because we all have worked so hard on our Company Concert, we'd like to perform it for you! Although it is short notice, we feel we should hurry and do this as we don't know what to expect for the next few weeks. We will hold small Parent Show type performances tomorrow, Saturday, March 14, at Wasatch Ballet. We hope you can come and see your dancer's company dances. It will be a pleasure to have you see the product of our hard work!

Going Forward

Starting Monday, we will plan on resuming our regular weekly schedule. As a studio, we will do everything we can to help keep our dancers healthy. We will require a mandatory hand washing before each class, and we will wipe down barres and doors in between classes. For now, we will excuse absences and not require makeup classes so if your dancer is not feeling their best, please keep them home.

The only change we are currently making on our weekly schedule is that we will not hold Company Rehearsals for the rest of March. Those were already canceled due to the performances. Our teachers have put so many extra hours in already to prepare for the March show and are not ready to begin the Labyrinth dances. Also, it will be hard to make progress on new dances if dancers are absent. Once this passes, we will elongate rehearsals as needed to prepare for the June show.

I know we are all disappointed and stressed about the current situation. I am sending my love and support to you all. As a community, we will get through this challenging time and everything will be ok.

Please let me know what questions or concerns you may have.

See you tomorrow!

Allee
