ABOUT THE CONCERT

Since its inception in 2000, Wasatch Ballet has provided students with an exciting performance experience through its June recital. This annual staple of our dance studio is a rite of passage for many youngsters—a chance to shine in front of family and friends that they anticipate with nervous excitement all year.

A big part of the dance training process includes learning through performance. This experience helps build self-esteem, self-assurance, and contributes to a sense of confidence. Although performance opportunities can help prepare students for a possible career in dance, they also contribute to children's success in non-dance activities. Onstage experience can result in better school presentations, improved social skills, and strong interview skills for future college or job opportunities. The rehearsal process is a tremendous learning experience as well. It helps the children

develop retention skills, and by working with their classmates on a group performance, they learn the positive aspects of working as a team to create the best end result. Lastly, the most important benefit of the recital is the fun experience and the opportunity to make memories and friendships which will last a lifetime.

WBC offers students a professionally directed performance that allows dancers to demonstrate the results of a year's hard work, dedication, and progress. Our Spring Concert is a unique experience because each year, our studio presents an enjoyable, original Story Ballet (with ballet, tap, jazz, hip hop, and more).

This year, we will be performing *The Good, The Bad, & The Clever*. It is an original ballet, created by Allison T. Wolsey and Stephanie Saul, with all original choreography by WBC's faculty and guest choreographers.

WHAT TO EXPECT FROM NOW THROUGH THE CONCERT

A Step by Step Guide

STEP #1 - WEEKLY CLASSES AND REHEARSALS NOW THROUGH JUNE 8

Classes have been working hard and are completing their choreography. Most classes will perform at least two dances. Jazz and Contemporary classes will perform one dance. It is extremely important that all students attend classes! It is difficult for the individual, the class, and the teacher if students are absent.

Commitment:

As a reminder, every student participating in the concert signed a form stating that they are committed to be in the show and will be in class and at all of the rehearsals. If your child will be absent due to a planned activity, please give us notice in writing. If your child is sick, please call in to the studio. **Students with excessive absences will not be allowed to perform.** Please make every effort to have your children in class so they will be ready to perform to the best of their ability.

Practice! Practice! Practice!

Students are encouraged to rehearse their recital dances at home. This year, we have two options to receive your Rehearsal Music! **1) File Sharing:** We will email a Google File to you with your music (including all changes) and rehearsal videos (if applicable). **2) CDs:** Custom made & available within 1 week. If any changes are made to your music, please request a new CD (free of charge).

We need you there!!

STEP #3 - SCENE REHEARSAL WEEK JUNE 10-13

Dance Expressions Classes & Expressions Combo Classes: Classes will be held at your usual time and nothing will be different.

Combo Basics and Higher: Your dancers will need to attend "Scene Rehearsals." During these rehearsals, students will work on their entrances, exits, and stage positions during the scenes they are on stage.

Please see Detailed Rehearsal Schedule when it comes out the last week of May!

STEP #4 - RECEIVE COSTUMES JUNE 10-13

Distribution: Costumes will be distributed only after all outstanding balances for the season (including tuition) are paid in full. We are planning on passing out the costumes in class or rehearsals the week prior to the Photo Shoot. Along with your costume, you will receive written details for hair, tights, and shoe requirements. To avoid any problems, do not allow children to wear costumes outside of the Dress Rehearsals and Performances.

Hair and Makeup: Required hairstyles will be sent home with the costumes and are required for the photo shoot and all Dress Rehearsals. Makeup is required for the Stage Dress Rehearsal and for the Performances. It is optional for the Photo Shoot. Eyes: Black Mascara, brown eye shadow and eyeliner. Cheeks & Lips: Red blush and lipstick (browns look black on stage). For convenience, purchase our Concert Essentials Kits! More detailed instructions will be with your child's costume.

Tights, Shoes, and Camisoles: All classes are required to have matching shoes and tights. These requirements are posted at the studio and will also be sent home with the Costume Instructions. If you do not own the required shoes, please talk with us about the possibility of borrowing some.

TIGHTS: All tights need to be in new condition. **Required tights are listed by costume poster.** **All young classes through Basics 3:** One pair of tights (if required) will be included with your costume. Additional tights can be purchased at the studio or with the attached Retail Order Form.

Youth 1 and higher: If you are in company, you will receive one pair of tights with your costume. If you are not in company (or just joined) you will need to purchase the required tights. Additional tights can be purchased at the studio or with the attached Retail Order Form.

SHOES: Ballet shoes need to be like new (pink and clean) with elastics sewn. Tap shoe ribbons should be replaced with a piece of black elastic sewn together, avoiding untied shoes during performances.

NUDE CAMISOLE LEO: Students who have costume changes are encouraged to wear a flesh colored camisole leotard under their costumes. This allows them to make quick changes in the shared dressing room.

We sell these items at great prices! For convenience look for our Costume Essentials Kits! See enclosed order form, due 5/31. If you have any questions, please ask us!
