

WASATCH BALLET'S JUNE CONCERT June 16 & 17, 2023

Since its inception in 2000, Wasatch Ballet has provided students with an exciting performance experience in front of family and friends that they anticipate with nervous excitement all year. A big part of the dance training process includes learning through performance. This experience helps build self-esteem, self-assurance, and contributes to a sense of confidence. Although performance opportunities can help prepare some students for a possible career in dance, they also contribute to children's success in non-dance activities. On-stage experience can result in better school presentations,

improved social skills, and strong interview skills for future college or job opportunities. The rehearsal process is a tremendous learning experience as well. It helps the children develop retention skills, and by working with their classmates on a group performance, they learn the positive aspects of working as a team to create the best end result. Lastly, the most important benefit of the recital is the fun experience and the opportunity to make memories and friendships which will last a lifetime!

WBC offers students a professionally directed performance that allows dancers to demonstrate the results of a year's hard work, dedication, and progress. Our June Concert is a unique experience because each year our studio presents an enjoyable, original Story Ballet. The students perform one to two numbers per class and are often involved in other scenes, helping the storyline along.

Odessa and the Titans

- We will be performing one of Wasatch Ballet's beloved story ballets (with all styles of dance), *Odessa and the Titans*. It is an original ballet created by Allison T. Wolsey which premiered in 2005. It includes all original choreography by WBC's teachers and guest choreographers. It is loosely based on the fabulous novel, *The Odyssey*.
- The concert will be held at the beautiful Covey Theater on June 16th and 17th. Everyone will perform in at least two performances (younger students will perform twice, while older students will perform in 3-4 shows depending on how many performances we decide to do. Casting (exact dates/times of your students' performances) will be announced in April.
- Almost every class will perform at least 2 dances, as well as participate in other parts of the story. Students who choose to perform will need to purchase one costume per class. As part of our commitment to strengthen our Contemporary, Jazz and Acro Programs, these classes will only perform one dance. Because they only meet once per week, it isn't possible to clean two dances and continue to work on essential technique elements.

COMMITMENT

- **Every student and parent will be required to sign a Participation Form**, stating that they plan to be in the show and will be in class and at all of the rehearsals. Please follow the QR code on the back to access the form. Or go to www.wasatchballet.com/participation-form.html **Due February 18.**
- **Mandatory Rehearsals and Performances:** Students must attend all rehearsals and performances (which are held in late May and June). Please see details below. Schedules will be made available as soon as possible.
- **Class Attendance:** As we begin learning the choreography, it is essential for students to be in their class each week. It is hard on the student and the entire class when people are absent. Therefore, **students with excessive absences will not be allowed to perform.** Please make every effort to have your children in class so they will be ready to perform to the best of their ability. *If an absence is necessary, please phone or email the studio letting us know the reason and dates.*
- **Extra Rehearsals:** The week before the show, we will have scene rehearsals. Please check the schedule (the kids will be out of school).
- **It is not a requirement to be in the concert**, although it is hoped that everyone will want to perform. The students who choose not to be in the show can still fully participate in class and will continue to learn and have fun through May!

COST

Every effort has been made to keep the cost of the recital & costumes to a minimum.

WBC does not make a profit from the costumes or the recital. Fee details are listed below.

- **Recital Fee:** Pays for rental of the stage, lighting, and scenery. \$55 for 1st student, \$5 for each additional sibling. ***Due April 1.***
