## STUDENT WORKSHEET

Student Name: \_\_\_\_\_ Current Class: \_\_\_\_\_ Date: \_\_\_\_\_

### GOALS:

List 3 dance related goals for this year. Try to be specific and thoughtful. Why are these your goals? Are these goals we can help you achieve or are they things you need to personally focus on? Ex: "I want to become a good turner" vs. "I would like to be consistently able to do a double pirouette" or "I want to be better at contemporary" vs. "I would like to learn more floorwork technique".

List 3 long term goals. Where do you want dance to take you? High school? College? Professional? Teacher? If the answer is just through high school, that is OK! We just want you thinking about your future and the possibilities.
