

Hi Parents and Dancers,

A crucial part of helping our companies be successful is good communication between studio and dancers. We have found it best to use a messaging app: *Remind: Safe Classroom Communication*. When using this app, messages are sent to your phone (or email) in SMS format. OR, new this year, you can receive push notifications. *Remind* keeps your numbers and personal information anonymous from other users. It is free, safe, and simple. Plus it reduces the number of handouts that don't make it home, miscommunications, and not-updated schedules!

We love using it and ask that you subscribe to it for schedule reminders, updates, changes, and so forth, by choosing an option below:

NEW THIS YEAR: RECEIVE PUSH NOTIFICATIONS

If you would like to receive push notifications on your smart phone rather than text messages, please follow the instructions on the back of this page.

HOW TO SUBSCRIBE TO TEXT MESSAGES:

Simply send a text message as follows:

TO: 81010

MESSAGE: <YOUR CLASS CODE, see below>

EXAMPLE MESSAGE

TO: 81010

MESSAGE: @wbcy1co

*Standard text message rates apply.

*If you have trouble, try texting @mswolvey or your class code to (385) 218-6799 instead. We'll make sure you're subscribed to the correct class.

HOW TO SUBSCRIBE VIA EMAIL:

If you would rather receive messages via email, send an email to <code>@mail.remind.com. For example, if I wanted to subscribe to Ballet 3 Pre-Company, I would send an email to *wbcb3co@mail.remind.com*. Communication works the same way, and you will receive all the same messages as those receiving texts.
