

A crucial part of helping our companies be successful is good *communication* between studio and dancers. We have found it best to use a messaging app: **Remind**.

How does it work?

- When using this app, messages are sent to your phone (or email) in SMS format or receive push notifications.
- Remind keeps your numbers and personal information anonymous from other users.
- It is free, safe, and simple. Plus it reduces the number of handouts that don't make it home, miscommunications, and not-updated schedules!

What should you do?

- We love using it and ask that you subscribe to it for schedule reminders, updates, changes, and so forth, by choosing an option below:
- **HOW TO SUBSCRIBE TO TEXT MESSAGES:**
 - Simply send a text message as follows:
 - TO: 81010
 - MESSAGE: <YOUR CLASS CODE, see below>
 - EXAMPLE: to: 81010, message: @wbcadv

**Standard text message rates apply.*

**If you have trouble, try texting @mswlosey or your class code to (385) 218-6799 instead. We'll make sure you're subscribed to the correct class.*
- **HOW TO SUBSCRIBE VIA EMAIL:**
 - If you would rather receive messages via email, send an email to <code>@mail.remind.com. For example, if I wanted to subscribe to Ballet 3 Pre-Company, I would send an email to wbc3@mail.remind.com. Communication works the same way, and you will receive all the same messages.
